SPRING FUNDRAISER

**E**VEN SUPER HEROES  
ARE ADOPTED!

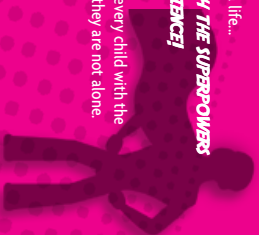

Many stories of the super heroes we grew up with - including Batman, Spiderman, Superman and even Harry Potter begin with a loss that children entering foster care share.

These courageous children dream of a better place to be.

The power to change a life...

**YOU CAN HELP CHILDREN UNLEASH THE SUPERPOWERS  
OF HOPE AND RESILIENCE!**

You are the hero that will empower every child with the knowledge that they are loved and they are not alone.

Adoption Rhode Island's Mission  
is to facilitate the permanent placement of children waiting in state care  
and promote adoption as a positive way to create a family.  
We provide pre and post adoption services to families, advocate for public policy  
to promote a child's right to a safe environment and a permanent family, and  
increase public awareness of the unmet needs of these children.
