

ADOPTION RHODE ISLAND

Adoption Rhode Island is a private nonprofit organization dedicated to finding families for children in state care and supporting those children and families throughout the adoption process and beyond. We care about all children, youth and families impacted by foster care and adoption.

ADOPT HOPE

All of our staff embrace the Adopt Hope Model which is based on the belief that instilling and maintaining a sense of hope among the children and families that we serve strongly influences positive outcomes which is paramount to long-term success.

OUR CORE VALUES

We believe that adoption is a lifelong process that includes unique feelings and perceptions that at times require specialized support and professional expertise. We recognize the importance of helping children and families clarify past life events, integrate those events into present circumstances and assist them in actualizing a positive future.

CLINICAL SERVICES

Our experienced staff of adoption competent clinicians offer an array of strength-based outpatient and in-home services for children, adults and families who are impacted by foster care and adoption.
