Duties & Responsibilities	
<u>Agency Core Tenets & Collaboration</u> • Maintain client confidentiality and conduct self in accordance with professional and ethical standards. • Assist the agency in assessing and providing effective, equitable, understandable, and respectful quality care and services that are responsive to diverse cultural beliefs and practices, preferred languages, mental and behavioral health literacy, and other communication needs. • Promote coordination and collaboration of service delivery, both internally across agency programs and departments, as well as externally, with community partners and contractors. • Contribute to and participate in agency community outreach activities, as well as additional support programming, as assigned.	
<u>Direct Service Delivery</u>	

- Utilize a strength-based youth and family centered approach to working with program participants, including children, youth, and families working towards the permanency goal of Guardianship.
- Outreach to DCYF when they register a youth who is identified to be in a kin or non-kinship pre-permanency home. Monitoring and tracking these youth and families until legalization.
- Elicit and incorporate youth & family voice into advocacy and service planning as much as is practical.
- Schedule and lead monthly Information Meetings in partnership with DCYF and other targeted information meetings as needed.
- Follow up and track families who attend Information Meetings until they are licensed with DCYF.
- Assist in organizing and implementing trainings and workshops for families, DCYF, and community foster care agencies.
- Actively participate in individual supervision, agency staff meetings and other agency forums.

Data Collection & Reporting

- Complete all necessary documentation, including all client records, narrative reports of assessments, progress reports, treatment plans, quarterly report submissions, and discharge summaries, in compliance with HIPAA standards.
- Actively participate and contribute to program and agency data collection and analysis for purposes of identifying trends, program development, and communication with the community

Personnel & Professional Development

- Attend and participate in-service trainings, team meetings, professional development, and group and individual supervision, as applicable.

Community Partnering

- Work in partnership with ARI leadership and DCYF administrators to create and implement services aimed to support permanency through legal Guardianship, including but not exclusive to teaming, data sharing, and comprehensive program development.
- Work in partnership with DCYF, collateral providers, family members, and the youth to assess readiness for permanency through guardianship.
- Provide technical assistance, training, and support to DCYF to help remove barriers to permanency through advocacy for the disclosure presentation process, assistance with the development of visitation plans, and the inclusion of all members of the family constellation (birth parents, prospective guardians, and children and youth, siblings) in permanency planning, as appropriate.
- Other duties as assigned.

I have read and understand the above list of duties pertaining to the position and understand that it is not designed to cover or contain a comprehensive listing of activities, duties or responsibilities that may be required. I understand that duties, responsibilities and activities may change or new ones may be assigned at any time with or without notice.
